

A modern full-size indoor swimming pool for everyone in our town !

Sounds good ?

Skim through our leaflet to learn how you can make this wondrous dream come true !

We are extremely proud to announce that our beloved town has recently been selected as one of eight finalists of the competition conducted to choose the best-kept one. Thank you very much for all your contribution to the success.

However, let's not rest on our laurels !

Let's band together and win the contest. With a little effort we can no doubt walk off with the first prize !

What are the main targets ?

- giving the area an attractive appearance
- making life easier for fellow residents
- ensuring the local community safe working and leisure conditions

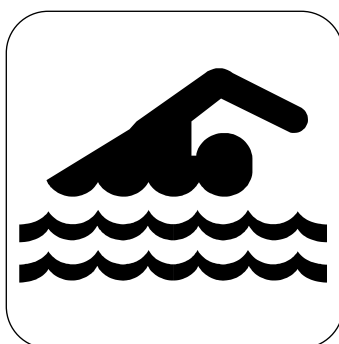

How can you contribute ?

- take proper care of the exterior of your house, particularly the garden
- maintain your stretch of road in good condition by sweeping it regularly and gritting it in winter
- make sure your dog is always muzzled and kept on a leash in public places and prevent it from fouling pavements
- organise your children's leisure in order to prevent vandalism
- volunteer to help with the afforestation of the suburbs and establishing new parks in the centre

Needless to say, our ambitious enterprise requires extensive publicising. Therefore you would provide invaluable help by:

- distributing our leaflets *
- discussing the mentioned issues with your relatives and neighbours

Do not hesitate !
Success is within our reach !
